Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

- 1. (Currently Amended) A damper assembly of a glove box, comprising:
- a fixing member <u>formed of a plastic material and</u> fixed to the rear part of the glove box by <u>means of screws</u>, the fixing member having a fitting protrusion formed <u>integrally with the fixing member</u> at one side thereof; and

a damper having a fitting piece formed at one side thereof, the fitting protrusion being fitted in the fitting piece of the damper so that the damper is fixed to the fixing member.

- 2. (Currently Amended) The assembly as set forth in claim 1, wherein thefixing member damper is made of a plastic material.
- 3. (New) The assembly as set forth in claim 1, wherein the fitting protrusion has a substantially conical shape, a narrow end of which is insertable into the fitting piece of the damper, and

wherein the fitting protrusion has a broad end which prevents the fitting protrusion from disengaging the fitting piece of the damper after the fitting protrusion is inserted into the fitting piece.
